

Digital Solutions Store

Quick Reference for Customers

Version 4

September 10, 2020

Copyright 2019 Baker Hughes Company. All rights reserved. The information contained in this document is company confidential and proprietary property of Baker Hughes and its affiliates. It is to be used only for the benefit of Baker Hughes and may not be distributed, transmitted, reproduced, altered, or used for any purpose without the express written consent of Baker Hughes.

Highlights

- eCommerce platform evolving since 2014
- My Returns and Create RMA added in Dec 2019
- My Equipment module added April 2020
- Link to the DS Store: store.bakerhughesds.com/home

1 > Status of Orders and RMAs

- My Orders shows status and key documents for your parts orders.
- My Returns shows wing-to-wing return status

2 > Create RMAs or Orders

- All users can create a new RMA online.
- Several product lines are available; we are adding others quickly.
- Receive an RMA approval and shipping documents in minutes.
- Select partners in Waygate Technologies can also create new parts orders, or check price & availability.

3 > Catalog and My Equipment

- Product Catalog lets you find many of our products and see if they are available for Buy or Return.
- My Equipment is a simple module to help you identify units that you want to track, and when they should be serviced again.

Public Guest Page

The screenshot shows the Baker Hughes Digital Solutions Store Public Guest Page. The page features a top navigation bar with the Baker Hughes logo, 'Digital Solutions Store', a search bar, and links for 'All Categories', 'Search Catalog', 'Contact Us', 'Login / Register', and a 'Cart' icon. Below the navigation bar is a main banner area with a large image of an industrial facility. The banner contains the text 'WELCOME To The Digital Solutions Store' and a list of features: 'Track your order status across most of Digital Solutions', 'Find orders for Bently, Control Solutions, Panametrics, Inspection Technologies, and Reuter-Stokes products', 'Check a single order on this page, or Register and Login for more detail', and 'For some product lines, place orders, or check price and product availability'. To the right of the banner is a 'QUICK STATUS CHECK' section with input fields for 'Enter Customer Number', 'Enter Purchase Order Number', and 'Enter Order / RMA number', along with 'RESET' and 'TRACK' buttons. Below the banner is a 'REGISTER to see and manage your orders' section with a link to 'Create an account tied to your business. Get access to Order and Return Status, and in some cases more of these features'. At the bottom is a row of four icons: 'Browse Product Catalog', 'Check product availability', 'Check Product Price', and 'Place Orders', with a 'Privacy - Terms' link on the right. Numbered callouts 1 through 4 highlight specific elements: 1 points to the 'Login / Register' link, 2 points to the 'QUICK STATUS CHECK' section, 3 points to the 'REGISTER' section, and 4 points to the 'PRODUCT CATALOG' link in the navigation bar.

1. Login / Register

2. QUICK STATUS CHECK

3. REGISTER

4. PRODUCT CATALOG

Anybody can see this Guest page, but you see most of the data after you log in.

1. Login or Register for access.
2. Quick Status Check.
3. View of different functions that are available to different customers, when logged in.
4. Some products are available for purchase or quote in this Product Catalog.

Registration tips

Baker Hughes

Dear Dennis Mills,

We have received a request to create an account to these Baker Hughes applications – BH Digital Solutions Store.

User ID: **gbmills.dsportaltesting**.

Please [confirm this request](#) to continue with your registration.

This email expires in 72 hours. If needed, you can click to [Send another confirmation email](#).

If you want to cancel this request, click [I did not request access](#).

1. Your access is tied to your email address
2. When you enter your email address, we will search to see if you already have a Username.

If you **do not** already have a GE or BakerHughes UserID, tell us a username, and fill in the rest.

If you **do**, an Alert will appear, and we will send you an email.
3. In the email, click Register Now against the username that you want us to use.

This will re-open your Registration, fill it in (in gray). Finish filling the form, and Submit.
4. We will send a final confirmation email. Please confirm, and we'll set you up.

The screenshot displays the Baker Hughes Digital Solutions Store homepage. The interface includes a top navigation bar with the company logo, account information, and language settings. A secondary navigation bar contains links to Home, Product Catalog, My Orders, My Returns, My Equipment, and Help. The main content area is divided into two columns. The left column features a 'CREATE A NEW ORDER' section with input fields for part numbers and quantities, and a 'PRICE AND AVAILABILITY CHECK' section with a search form. The right column features a 'CREATE A NEW RMA' section and a 'CHECK ORDER/RMA STATUS' section with input fields for purchase order and RMA numbers. At the bottom, there are sections for 'RECENT ORDERS AND RETURNS' and 'MY CART'. Numbered callouts highlight specific elements: 1 points to the account dropdown menu; 2 points to the 'All Categories' dropdown; 3 points to the 'My Orders' link; 4 points to the 'CREATE A NEW ORDER' heading; and 5 points to the 'CHECK ORDER/RMA STATUS' heading.

Create RMA: RMA Form

The screenshot shows the 'RMA FORM' interface. At the top, there are buttons for 'GO TO CART' and 'SAVE FORM'. Below these are three tabs: 'INSTRUCTION', 'BASIC DETAILS', and 'DOCUMENTS & ADDITIONAL INFORMATION'. The 'BASIC DETAILS' tab is active. Under the 'INSTRUCTION' tab, there is a section 'IDENTIFY MY EQUIPMENT' with two radio buttons: 'By Part Number' (selected) and 'By Serial Number'. Below this, there is a 'Part Number' input field with the value 'DEWJQ' and a 'Quantity' input field with the value '1'. A 'Help me find the part number' link is also present. Below the 'Part Number' field, there is a 'Serial number' input field. Under the 'BASIC DETAILS' tab, there is a section 'Select returns offering' with two radio buttons: 'Repair / Calibrate / Upgrade the product' (selected) and 'Return the product for credit or scrap the product'. Below this, there are two dropdown menus: 'Repair' (selected) and 'Calibrate'. The 'Repair' dropdown shows the option 'REPAIR W CAL STD - SENSOR REQUIRED'. The 'Calibrate' dropdown shows the option 'Select Calibrate'. Below these, there is a section 'Selected returns offering :REPAIR W CAL STD - SENSOR REQUIRED' and an 'Estimated cost :USD\$ 883.00'. At the bottom, there is a section 'Problem Description' with a text area and a note 'Maximum character limit is 2000'. The 'DOCUMENTS & ADDITIONAL INFORMATION' tab is also visible, with a 'HAZARD INFO FOR RMA' button and a 'SAVE FORM' button.

1. Enter the Part Number that you are returning, search by Serial Number, or click 'Help me find the part number'.

2. If you have a few items with this part number, please enter Qty of 1. Finish this form, then CLONE this in your shopping cart to add the other items.

3. Choose from the list of available returns choices, after picking the part number.

4. Move to the Documents... tab, fill it in.

5. SAVE FORM creates a line item in your Returns Shopping Cart. Add more items for other lines.

CREATE RMA adds one line item to your Returns shopping cart.

After you add all your line items, go to the Cart and place the RMA order.

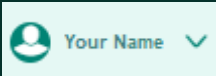

1. Enter the Part Number that you are returning, search by Serial Number, or click 'Help me find the part number'.
2. If you have a few items with this part number, please enter Qty of 1. Finish this form, then CLONE this in your shopping cart to add the other items.
3. Choose from the list of available returns choices, after picking the part number.
4. Move to the Documents... tab, fill it in.
5. SAVE FORM creates a line item in your Returns Shopping Cart. Add more items for other lines.

Create RMA: Shopping Cart

Add line items to a Returns shopping cart. Place an Order from this cart to create the RMA.

- 1. Each FORM adds one line item to your Returns Cart.
- 2. Some services might require mandatory accessories – such as a system calibration.
- 3. Fill in a Hazardous Exposure form for the Returns Cart. This replaces the PDF form that you normally give us.
- 4. Move to Checkout, fill it in, and place your RMA order.

TIP: Create default settings for Checkout, under your name > Personal Details menu

- 3. Improved Browse for available product lines.
- 4. Popup of each product shows if it Buyable or Returnable or both, for your account.

Frequently Asked Questions

Navigating:

Q: I am already a user. Will my login change?

- No. Use the same login, the same website address, and the same password.

Q: Do my Create Order or Quick Order Status features change?

- Not much. Quick Order Status now also lets you add the RMA number; otherwise, it's the same.

Q: What other languages will be available?

- German, French, Japanese, Chinese, Russian at least. Check the language menu to see which are available now.

RMA Portal:

Q: How is this different than the old RMA portal, returns.bhge.com?

- The old portal was not integrated to our ERP. Status was not available, and Products & pricing became outdated.

Q: When can I create my own RMAs?

- We are adding Returns parts for different product lines when we can. As of August 2020, these are available:
 - Panametrics
 - Waygate Remote Visual Inspection and Ultrasonic Standard Products
 - Bently Nevada expected in early October

Baker Hughes
